Copia allegacionum pro parte nobilis domine Lucie [illegible] d[omi]ni [illegible]
[illegible] et Johannem Papagallo de [illegible] in xl ducatis [illegible]

Quesitum est. Domina Lucia uxor olim S. [illegible] de castro [illegible] perpetuo mutuata a ser Johanne Papagallo ducatos xl obligavit ei pro maiori [illegible] cautela domine bonum suum [illegible] rusticum cum manso; ut illud sponte sua vendi facere posset quoties ipsa debitrix foret in mora. Tradens eidem bonum ipsum possidendum donec ipsa teneret pecunias suas et assignavit ei ipsum bonum valoris ultra xx [illegible] possidet ipse creditor id bonum diu puta x annis. Ad ultimum restituta ipsi pecunia domine ipsi debitrici restituit ipse creditor idem bonum deterioratum [illegible] valoris puta in quatuor [illegible] numis. Queritur modo an debeat sibi reddi id bonum tale prout quale ipse sibi [illegible] assignavit.

Et videtur in partem affirmativam [illegible] quod sic. Quia bonum ipsum datum est per ipsam debitricem ipsi creditori in causam pignoris manifestum autem est quod isto casu [illegible] quod in causam pignoris assignatur habet debitor qui rem pignoravit pignoraticiam actionem contra ipsum creditorem qui habet pignus. ut ff. de pignoraticia actione. l. solutum. §. si. Que actio intenditur ad hoc ut creditor restituat rem ut possessionem pignoris corporalem que apud eum fuit ut C. eodem l. In hanc autem actionem veniunt accessiones omnes rei pignorate. i. cum accessionibus ceteris restituenda est res que pignori data est. ut ff. eodem l. si convenit. § unde [illegible] in reddendo pignore creditor [illegible] debitori de dolo et etiam de culpa. ut puta si predium fuit per eum alteri pignoratum aut [illegible] cessante [illegible] creditore [illegible] essent amisse. ut ff. eodem l. creditor cum pignus. Et sic in actione ista que intenditur ad repetendum pignus suum veniunt dolus et lata et levis culpa [illegible] quia utrumque [illegible] pignoraticii [illegible] qui [illegible] C. [illegible] ff. eodem l. si cum § venit et l. [illegible]. Ergo cum et dolus et lata culpa et levis veniat in hac actione pignoraticia [illegible] quia [illegible] pignoratarius reddere pignus [illegible] clarissimum est quod tenetur reddere ipsum pignus tale quale datum sibi fuerit a pignoratore ipso quando [illegible] restituere ipsum

sic et de re immobili que eandem [illegible] cum obtinet et maxime ubi [illegible]
est pro pignore mobilia. Sed ex quantum patet reducta ad naturam
rei mobilis potest [illegible]. Preterea sicut dicimus de re [illegible]
ita et in pignorata dicendum est, que ad restitutionem eius que
est eadem re ergo idem ius est censendum. Debet res accomodata
reddi debet eadem qualitate specie et quantitate quibus erat cum accomodabatur
ut ff. de re. § si rem ff. commo. Igitur a simili et de pignorata dici debet quod
de comodata enim verum obtinet per id hoc tamen, quod est tamquam
accomodata res pignori data unde sicut commodata res eadem
qualitatis quantitate et valore non diminuta in quem reddi debet ita
et in pignori data. Preterea est tamquam depositum res pignori data,
quam quidem quasi depositam apud creditores ut [illegible] sibi [illegible] respiciet
et custodiret ac possideret loco sui donec pignori eam detinent.
Et similiter quidem clarum est absque dubitatione aliqua quod depositarius
eandem rem, specie, qualitate et valore restituere debet depositori
quale habuit atque in eandem diligentiam in ea custodienda
et conservanda ac possidenda qualem in rebus propriis adhibere
debet. Sic et tenetur de dolo et lata culpa. Ergo et pignorator
quia ubi eadem est eadem est ratio ergo et idem ius est censendum
ut hic ff. depositi l. i. § si rem [illegible] pre allegato.

et possedit exclusis aliis masculis de dicto
castro et domo de tricano pro tunc existentibus
gradu tamen remotioribus quam esset predicta domina
.. succedens

vj Item quod in patria foroiulii fuit et est consuetudo
usus communis et observantia quod domine seu femine
de stirpibus vassallorum et fidelium succedunt in
feudis ecclesie aquilegensis quando non existunt
masculi propinquiores in gradu ipsis existentibus

petitione mulierum successisse in feudis et bonis feu
dalibus de prampergo de meduno de colloretto de fagagna

viii Item quod in patria Foroiulii et etiam extra patriam Foroiulii sunt quamplura feuda pertinentia ad ecclesiam aquilegensem, non contra propriam naturam feudi, que consueverunt et possunt vendi, alienari, in dotem dari, in ultimis voluntatibus relinqui et in quibus mulieres succedere possunt et consueverunt succedere, salvo tamen iure aquilegensis ecclesie. Et quod ista talia sunt et [illegible] fuerunt feuda et domino de Tricano? Et de hoc fuit et est notorium publica vox et fama.

viiii Item quod in feudis successio conceditur et defertur secundum consuetudinem ipsorum feudorum et quorum successione tractatur.
